our sumptuous cafe

Cafe Moksham renders our inner yearning to offer you space that reflects solace within.

It is as Bohemian as it is Himalayan. With turquoise bringing white colour to life, the rest of the decor depicts our deep rooted Himalayan living, that is finding contentment with limited resources

A pristine white pavilion positioned upon terrace of chid pine floor, doors open wide to the afternoon breeze; Geranium blossoms, birds in flight, terrace verandah overlooks the evening hues, here within this rosy daydream stands cafe Moksham, where busy meets peace.
